Why is there no 188bet welcome offer?

Some sites opt not to offer potential customers a promo code when signing up. 188bet is a large site with different offerings depending on which country they are serving. At the moment, many European sites do not permit 188bet to operate there. This has likely led to the site deciding not to offer the usual welcome bonus and promo codes that one may see when browsing different bookmakers. However, that's not to say that they won't decide to implement one in the future. For that reason, it's always a good idea to keep an eye on this page or the promotions page at the 188bet website itself.
