Short-Deck Poker: How to Play 6+ Hold'em (Official Rules)

What is Short Deck Poker?

Short-deck poker (also known as six-plus hold'em) is a new variation of traditional Texas hold'em that mostly follows the same rules albeit with a significant difference.

Short-deck poker uses a smaller 36-card deck rather than the full 52-card deck.

Most first heard of short-deck poker after it was introduced among the mix in the high-stakes cash games in Macau.

Here we go over the poker rules for Short Deck Poker.

How to Play Poker for Beginners Check out the rules and basic strategy to all the popular poker formats [Click Here](#)

Short-Deck Poker Rules

Before we discover how to play short-deck poker, let's see how to get to the 36-card deck needed to play a game of 6+ hold'em.

The 36-card deck in use in poker short deck is created by removing the 2xs, 3xs, 4xs, and 5xs from the deck (16 cards).

That leaves the 6xs up through the Kxs as well as the Axs.

What about the Aces?

As in regular hold'em, in short-deck poker the aces still count as high or low when making straights.

The lowest possible straight in a game of short-deck poker is Ax9x8x7x6x (think of the ace as essentially replacing the missing 5x).

Poker short-deck is played similarly to regular hold'em.

Each player receive two hole cards and use them in combination with five community cards to create the best possible hand.

A game of short-deck poker features four streets of betting:

Pre-flop Flop Turn River

However, there are some differences in the poker short-deck poker that you should know about before playing.

Short-Deck Poker Hand Rankings

Short-deck poker can be played according to the exact same rules as regular Texas Hold'em. The betting can be fixed-limit or no-limit (although most often the game is played no-limit), and the same hand rankings can be used as follows:

Hand Ranking	Hand Name	Poker Hand	Lowest High card
Kx6x9x8xQx	One pair	KK5x8xQx	Two pair
KK66Qx	Three-of-a-kind	KKK6Qx	Straight
A6789	Flush	KJ1069x	Full house
KKK66	Four-of-a-kind	KKKK6x	Straight flush
A6789	Highest Royal flush	10JQKA	

For more info about the hand rankings in poker and which hand wins, visit our guide to poker hands.

#### Alternative Short-Deck Hand Rankings

Short-deck poker is played often employing a different hand ranking system. Here are the alternate hand rankings for short-deck poker (note the differences in bold):

Hand Ranking	Hand Name	Poker Hand	Lowest High card
Kx6x9x8xQx	One pair	KK5x8xQx	Two pair
KK66Qx	Straight	A6789	Three of a kind
KKK6Qx	Full house	KKK66	Flush
KJ1069x	Four of a kind	KKKK6x	Straight flush
A6789	Highest Royal flush	10JQKA	

As you can see, following these alternate poker short deck hand rankings a three-of-a-kind beats a straight (instead of vice-versa), and a flush beats a full house (instead of vice-versa).

#### Why a Different Hand Rankings?

These changes were introduced because the removal of cards from the standard deck alter the probabilities of making certain hands.

For example, with only nine suited cards (instead of 13), a flush is harder to make in short-deck poker than in regular hold'em.

#### Six-Plus Hold'em Variation — The Deal (Fifth Street)

One other popular variation often introduced in six-plus hold'em has to do with the way the river is dealt.

The game can be played according to the same procedure followed in regular hold'em, with the community cards coming in the same way — flop (three cards), turn (one card), and river (one card) — and betting rounds after each street.

More often, though, instead of a river card being dealt to complete a five-card board, players are each dealt a third hole card instead.

Players then make their five-card poker hands by using exactly two of their three hole cards and three of the four community cards.

The building of hands resembles the procedure followed in Omaha poker where players must use two of their four hole cards plus three board cards to make a five-card poker hand.

#### Short-Deck Poker Basic Strategy

As you might imagine, the removal of low cards and use of the 36-card deck makes it more likely to make higher value hands, a change that tends to introduce more action.

You should adjust your thinking about relative hand values from what they are used to in regular hold'em.

The smaller deck makes it easier to make two-pair hands, which means a hand like top pair-top kicker is no longer as strong in six-plus hold'em as it is in regular hold'em.

Straights and full houses are also easier to make in six-plus hold'em than in the regular version of the game (a reason for the alternate hand rankings).

The odds of hitting certain draws change, too, in short-deck poker.

Just to highlight one example, filling an open-ended straight draw becomes more likely in short-deck.

While you're still looking for the same eight outs there are fewer total cards in the deck, thus increasing the percentage you'll make your straight.

The smaller deck also affects the likelihood of being dealt certain hands. [Y]ou're more than twice as likely to get pocket aces[/B] in short-deck poker than you are in regular hold'em!

Finally, players being dealt a third hole card instead of there being a fifth community card obviously affects hand values as well, making it even more likely that players improve their hands — yet another factor that has to be taken into account when calculating odds and considering your final-round betting strategy.

## Conclusion

Short-deck poker / 6+ hold'em introduces several exciting twists to traditional Texas hold'em, creating an action-filled alternative that many players are finding especially enjoyable to play. The changes from regular hold'em aren't terribly complicated, making it easy to new players to learn and play right away.

## Short-Deck Poker FAQ

How do you play Short-Deck Poker? A game of short-deck poker follows the same rules and gameplay as Texas hold'em poker. The players receive two hole cards and they need to combine them with five community cards to create the best possible five-card hand. Short-deck poker, however: Uses a 36-card deck rather than the full 52-card deck

Ranks the hands differently compared to Texas hold'em All the details to know before playing a game of short-deck poker are in this article. Why is short-deck poker so popular? The game of short-deck poker, as six-plus hold'em became famous at the high-stakes games in Macau. Due to the smaller deck, the game makes it more probable for players to hit high-value combinations. Where is short-deck poker played? You can play short-deck poker live at most poker festivals. If you are looking for games of short-deck poker online, check out the poker sites listed on this page. What's the best short-deck poker strategy? The removal of some low-value cards from the deck changes the game's basic strategy and the value of different poker hands. To understand ranges and odds in short-deck poker, have a look at this article.

## Biden y Macron resaltan su acuerdo sobre asuntos mundiales pese a diferencias en el conflicto de Gaza

El presidente Biden y el presidente Emmanuel Macron de Francia destacaron el sábado lo mucho

que están de acuerdo en los asuntos mundiales, incluyendo la guerra en Ucrania, a pesar de que sus países han expresado opiniones muy diferentes sobre el conflicto en Gaza entre Israel y Hamas.

Apareciendo brevemente juntos ante los reporteros después de dos días de conmemoraciones del Día D, los dos presidentes se negaron a hacer preguntas y ocultaron sus diferencias marcadas sobre Oriente Medio. En cambio, ambos afirmaron la fuerza duradera de la asociación estadounidense-francesa en cuanto al clima, la economía, la seguridad europea y los lazos culturales.

"Hoy, estoy orgulloso de estar con Francia para apoyar la libertad y la democracia en todo el mundo", dijo el Sr. Biden, cuando los dos hombres emergieron de una reunión a puerta cerrada en el Palacio del Elíseo.

"Estamos de acuerdo en esta guerra que se está librando en Ucrania", dijo el Sr. Macron, y añadió que espera que "todos los miembros del G7 estén de acuerdo en un fondo de solidaridad de 50.000 millones de dólares para Ucrania", en referencia al Grupo de los 7 naciones industrializadas.

Los comentarios del presidente francés sugirieron que los dos líderes habían llegado a un terreno común sobre un plan para aprovechar los activos rusos congelados para proporcionar un préstamo de hasta 50.000 millones de dólares a Ucrania. Los funcionarios estadounidenses habían dicho antes de la reunión que Francia era el principal opositor a tal plan y que esperaban ganar apoyo durante la visita a París.

En Gaza, el Sr. Macron reconoció el apoyo del gobierno francés a una propuesta de alto el fuego israelí que el Sr. Biden ha respaldado firmemente. Pero el presidente francés también desafió directamente a Israel a hacer más para entregar ayuda a los palestinos que sufren por los bombardeos del gobierno.

"No es aceptable que Israel no abra todos los puntos de control para la ayuda humanitaria, como ha solicitado la comunidad internacional unida durante meses", dijo el Sr. Macron. Dijo que las operaciones israelíes en Gaza "deberían cesar".

Francia ha apoyado la decisión del Tribunal Penal Internacional de buscar órdenes de detención para el primer ministro israelí, Benjamin Netanyahu, y Yahya Sinwar, el líder de Hamas en Gaza. Por el contrario, el Sr. Biden ha condenado ese esfuerzo, calificándolo de comparación inaceptable de los dos líderes. Francia también votó en las Naciones Unidas en mayo a favor de incluir a Palestina como miembro de pleno derecho de la organización, algo que Estados Unidos se opone.

Ni el Sr. Biden ni el Sr. Macron mencionaron ninguna de las desavenencias sobre el conflicto Israel-Hamás.

En una desviación de la práctica habitual cuando los presidentes estadounidenses se reúnen con líderes extranjeros, los reporteros de Francia y Estados Unidos no fueron autorizados a hacer preguntas después de las declaraciones del sábado, que duraron un combinado 16 minutos. En la mayoría de los casos, los dos líderes permiten que los reporteros de cada país hagan al menos dos preguntas.

John Kirby, portavoz de seguridad nacional de la Casa Blanca, se negó a explicar por qué no fue así el sábado.

"Esa fue la disposición que se acordó", dijo a los reporteros a principios de la semana. "Como saben, con cualquier reunión bilateral o, en este caso, una visita de estado, todo eso se acuerda entre las dos partes. Y se decidió en nuestras discusiones y planificación para esta visita que eso es lo que harían: que saldrían y harían declaraciones a la prensa".

El caluroso abrazo del Sr. Macron al Sr. Biden a pesar de las tensiones en la relación contrastó marcadamente con el ánimo cuando el presidente Donald J. Trump visitó en noviembre de 2024. Solo minutos antes de que el Air Force One aterrizara en París entonces, el Sr. Trump publicó un mensaje en línea acusando al Sr. Macron de ser "muy ofensivo". El Sr. Macron dio entonces un discurso denunciando el nacionalismo solo semanas después de que el Sr. Trump se declarara

nacionalista estadounidense.

El sábado, por el contrario, el Sr. Macron elogió al Sr. Biden como "un socio que respeta a los europeos", una línea que sonó como una distinción del Sr. Trump, que a menudo denigraba a los líderes europeos. "Gracias por estar del lado de Europa", dijo el Sr. Macron.

"Has llegado a ser un buen amigo", dijo el Sr. Biden en respuesta.
