# A Vida de Lek Chailert: A Defensora dos Elefantes na Tailândia

Você já recebeu ameaças de morte?", pergunta uma voz vinda da câmera. A pergunta faz a ativista tailandesa Lek Chailert soltar uma gargalhada. "Muitas vezes. Todo o tempo!", responde ela. Chailert é uma mulher energética e pequena que dedicou sua vida a resgatar elefantes explorados pela indústria turística tailandesa e o contrabando ilegal de madeira. Com sorte, este documentário encontrará seu caminho para o Netflix e alcançará um público global, com o resultado de que qualquer um que planeje visitar a Tailândia excluirá uma caminhada de elefantes da lista de desejos.

Conhecemos Chailert seu santuário de elefantes, o Elephant Nature Park, que abriga mais de 100 resgates. Inevitavelmente, Chailert foi chamada de "a susurradora de elefantes", e você pode ver por que, acompanhando-a marchar, uma pequena linha de elefantes a seguindo. Chailert é engraçada e brincalhona, uma verdadeira personalidade; em uma cena, ela se abaixa com um elefante adormecido, roncando parecendo o secador de cabelo mais alto do mundo. Os elefantes frequentemente chegam ao parque desnutridos, esqueléticos, sobrecarregados e estressados; "Como zumbis", ela diz.

Sensivelmente, este documentário não se aprofunda por muito tempo nos detalhes gráficos de como os elefantes são maltratados em cativeiro. Os cineastas nos mostram imagens de elefantes com pedaços de carne cortados de seus pescoços pelos pequenos machados usados por seus manipuladores. O processo de domar esses orgulhosos animais é chamado de "a esmagadora" - como esmagar seu espírito, o que diz tudo.

A compaixão e a resistência de Chailert parecem mudar genuinamente corações e mentes. Na metade do processo de fazer este filme, o Covid-19 atingiu e o colapso do turismo devastou a indústria dos elefantes; Chailert entrou em ação, entregando alimentos aos parques turísticos de elefantes vizinhos, alimentando os animais e humanos. Um deles, um lugar anteriormente popular para turistas verem elefantes andarem de bicicleta, girarem hula hoops e ficarem sem pé, é de propriedade de um homem chamado Tio Eddie. No passado, ele disse que odiava Chailert, mas assistimos a ele se tornar um convertido total à turismo ético dela. Um crédito no final do filme explica que quando Tio Eddie morreu em 2024, ele deixou seu rebanho para ser cuidado pela Save Elephant Foundation. Um final feliz para alguns dos elefantes da Tailândia, pelo menos.
