Note: This coin is not listed on Binance for trade and service. Cryptocurrency prices are subject to high market risk and price volatility. You should only invest in products that you are familiar with and where you understand the associated risks.

Binance is constantly reviewing and adding cryptocurrencies that can be used on the Binance platform. If you would like to know where to buy Bet To Earn, which is currently not listed on Binance, you can follow the step-by-step guide below.

The most straightforward way is to find a reliable centralized exchange where you can buy Bet To Earn, similar to Binance. You can refer to Coinmarketcap's Markets section to find the list of centralized exchange the coin is listed on.

Another option to buy the Bet To Earn is through a decentralized exchange (DEX) which supports the blockchain where your Bet To Earn resides. This guide will show you how to buy Bet To Earn by connecting your crypto wallet to a decentralized exchange (DEX) and using your Binance account to buy the base currency.

1 Download a Trust Wallet There are several crypto wallets to choose from within the BNB Chain network and Trust Wallet appears to be the most integrated. If you are using a desktop computer, you can download Google Chrome and the wallet Chrome extension. If you prefer using your mobile phone, you can download the wallet via Google Play or the iOS App Store if it's available. Just make sure that you are downloading the official Chrome extension and mobile app by visiting Trust Wallet's website.

2 Set up your Trust Wallet Register and set up the crypto wallet via the wallet's Google Chrome extension or via the mobile app you downloaded in Step 1. You may refer to the wallet's support page for reference. Make sure to keep your seed phrase safe, and take note of your wallet address. You will be using it later on Steps 4 and 6.

3 Buy BNB as Your Base Currency Once your wallet is setup, you can login to your Binance account and proceed to the Binance Crypto webpage to buy the BNB. If you are not an existing user, you can refer to our How to Buy BNB guide on registering and buying your first cryptocurrency on Binance.

4 Send BNB From Binance to Your Crypto Wallet Once you buy your BNB, go to your Binance wallet section and look for the BNB you purchased. Click on withdraw and fill up the required information. Set the network to BNB Chain, provide your wallet address and the amount you want to transfer. Click the withdraw button and wait for your BNB to appear in your Trust Wallet.

If you are using Binance Website:

If you are using Binance App:

5 Choose a Decentralized Exchange (DEX) There are several DEXs to choose from; you just have to make sure the wallet you selected in Step 2 is supported by the exchange. For example, if you use Trust Wallet wallet, you can go to Pancake Swap to make the transaction.

6 Connect Your Wallet Connect your Trust Wallet wallet to the DEX you want to use by using your wallet address from Step 2.

7 Trade Your BNB With the Coin You Want to Get Select your BNB as the payment and select the Bet To Earn as the coin you want to acquire.

8 If Bet To Earn Doesn't Appear, Find its Smart Contract If the coin you want does not appear on the DEX, you can refer to <https://bscscan/> and find the smart contract address. You can then copy and paste it into Pancake Swap. Beware of scams and make sure you got the official contract address.

### **Claudia Winkleman está convencida de que le dio "el asco" a Mika y Lang Lang, sus compañeros de reparto en The Piano de Channel 4**

Claudia Winkleman está convencida de que ha asustado a sus compañeros de reparto en The Piano de Channel 4 con sus hábitos de comer. "Están alarmados por mis hábitos alimenticios", dijo. "Mi micrófono siempre está encendido y todo lo que pueden oír es cómo masticó las Hula Hoops de sabor a res."

#### **Grabación de The Piano.**

Winkleman acaba de terminar de filmar una nueva temporada de la competencia de talentos que se desarrolla en las estaciones de tren del Reino Unido. "Estudio de antemano los establecimientos de comida de cada estación", admitió. "Adoro a Greggs y me he enamorado de Upper Crust. Hacen una baguette de cheddar que es casi erótica. Por supuesto, siempre hay un Burger King. Lo llamo el Murder King. Sabes que estás en una clase diferente de estación si hay un Leon. En Liverpool, tienen Krispy Kreme. Me estrellé y me quemé por la mañana porque comí una bandeja completa de Original Glazed para el desayuno. Estaba como: 'Chicos, necesito una siesta.' El productor dijo: '¿Alguien puede conseguirle una café a Claud y sin más azúcar!' Bueno, jefe, está bien."

The Piano es una competencia de talentos de piano que se desarrolla en varias estaciones de tren del Reino Unido. La primera temporada fue un éxito rotundo y está de regreso para una segunda temporada. "Originalmente fue presentado como 'un programa sobre talento, pero no un programa de talentos', que tapped into la fenómeno de los pianos callejeros invitando a amateurs sin descubrir a realizar actuaciones públicas en las principales estaciones de tren alrededor del Reino Unido. El resultado fue un smash hit conmovedor.
