If you are tired of playing standard roulette and want to try something different, then Roulette Pro Gratis is definitely for you. The high level of graphics and {img} will satisfy even the most demanding among you.

How to play Roulette Pro Gratis

The game starts with a bet selection. You can find the options at the bottom of the screen. Your choice can be from one to one hundred coins. After you have bet the number of chips you have determined, you transfer them to the selected sector. You have the option to bet on specific numbers as well as colors or even/odd. In this way, your chances of making a profit also increase. By pressing the start button, the spinning of the ball starts. Winnings are immediately credited to your virtual account after the draw is over and the final score is determined.

There are no paylines in this game. The commitment to victory is tied solely to recognizing the sector in which the ball will land.
