Live Roulette Online - A Complete Guide to Immersive Online Gaming

Ever wanted to play

with real roulette croupiers from the comfort of your own home? Well, thanks to live
dealer technology, you can. Combining webcams, digital software and RFID sensors, it's
now possible to play real live roulette online.

What Are Live Roulette Casino
Games?

Live roulette tables are real games broadcast to you via a virtual setting. Each
time you log in to Paddy Power, you'll see a selection of live dealer roulette tables
covering a variety of betting limits, variants and themes. However, the one thing they
have in common is that the action takes place on a real wheel, with a real ball and
real people controlling the action.

Unlike virtual casino games that use RNG, live
online roulette operates as if you were in a bricks and mortar venue. The only
difference is that you're watching the action from your desktop or mobile rather than
from the table side (so you don't have to dress up if you don't want to!).

Play Live

Roulette Online for Real Money at Paddy Power

Inside our live casino roulette lobby,

you'll find a wide variety of tables each offering the own look, feel, stakes and
betting dynamics.

Immersive Action: Through a combination of multiple camera angles,
chat options and close-ups, you can get a complete overview of the action. When you
play in a land-based casino, you're crammed in and confined to a single spot on the
table. Whether you go full screen or not, live roulette puts you in any position you
like.

Easy and Instant Betting: At a physical roulette table, you have to stretch and
fight to make multiple bets. Live roulette online isn't like that. With the click of a
button, you can not only place a single bet but multiple bets (using the special bets).
What's more, you can save your previous bet and repeat it the next spin with
ease.

Tracking the Action: Although you can track results in a bricks and mortar venue,

you have to do it manually. Inside our live roulette lobby, the software takes care of everything for you. From a rundown of recent results to hot and cold numbers, there are tons of stats you can use to get an overview of the action.

Entertainment: In addition

to live roulette titles offering immersive action from multiple angles, our game hosts are always entertaining. After welcoming you to the table, they'll commentate on the action and engage in conversations to ensure you have the most enjoyable session possible.

To ensure you get the best experience possible, make sure you choose the right game for you and your bankroll. By scrolling through the Paddy Power Live Roulette lobby, you'll find plenty of games to suit your tastes. Once you've found a table you like, make a deposit of at least £10 and start spinning.

Popular Live

Roulette Games

What live roulette games do we offer? Well, if you look at the list below, you'll see that we cover a myriad of styles and variants.

How to Play Live

Roulette: Inside Bets and Outside Bets

Live roulette UK operates in the same way as any standard European game. At the start of a round, you can place inside or outside bets (or a combination of the two) on 37 numbers. To place a bet, all you have to do is click on the relevant section.

As a general guide, the bets you can place are:

Odd/Even

Red/Black

Low (1-18)

High (19-36)

Dozens/Columns

Six, Five, Four, Three,

Two or Single numbers

Live Roulette Minimum Stakes, Limits And Bonuses

Live roulette

betting is often cheaper than a bricks and mortar casino. Although each table has its own stakes, the minimum bet is typically between £0.50 and £1. This is slightly more than our virtual tables because there are additional costs (i.e. paying for the live dealers).

However, the increased cost does ensure these games are more immersive.

What's more, the maximum stakes are also higher, as are the potential payouts when you consider bonus jackpots. Therefore, live roulette is perfect for high rollers.

What are

the Live Roulette Numbers & Odds?

Continuing the final point we explained above, standard live roulette payouts are:

Odd/Even, Red/Black, High/Low bets = 1:1
payout

Dozens/Columns = 2:1 payout

Six-number bet = 5:1 payout

Five-number bet = 6:1

payout

Four-number bet = 8:1 payout

Three-number bet (street) = 11:1 payout

Two-number

bet (split) = 17:1 payout

Single number bet (straight up) = 35:1

What is the Difference

Between Live Roulette and Online Roulette?

Virtual and online live roulette differ in

the way an outcome is produced. Virtual games are controlled by an RNG. This software uses a series of complex algorithms to produce a random result. This data is then turned into the animation you see on the screen. In contrast, live roulette is based on the traditional system of spinning wheels and bouncing balls.

The roulette wheel is

spun and a ball is dropped into the centre. Because the wheel is even, there is an equal chance of the ball stopping on any of the 37 (or 38) numbers. Many players prefer live casino roulette because they can see what's happening. Although RNGs are certified as fair by third-party agencies, the way they work is still a mystery to some.

Therefore, because everything is on show when you play live roulette, it gives players an extra sense of confidence.

Tedesco, técnico da Bélgica, critica a organização local após empate contra a Ucrânia

O técnico da Bélgica, Domenico Tedesco, criticou a organização local após um empate por 0-0 contra a Ucrânia na terça-feira, resultado que garantiu a classificação para um confronto contra a França nas oitavas de final.

"Chegamos ao estádio roulette fair circunstâncias que nunca vi antes", disse Tedesco. "Levou uma hora para sair do hotel com escolta policial. A estrada estava completamente livre, mas eles desaceleraram para 20-25km/h. Todos os semáforos estavam vermelhos. Tive dois minutos para dar um discurso de preparação e tivemos que reduzir o aquecimento. É incrível, incrível, incrível..."

Outras dificuldades enfrentadas pela Bélgica

Isso não foi o único problema que o incomodou. "Tudo está acontecendo aqui", disse Tedesco.

"Tudo é permitido. Podemos ter um atraso de uma hora e não atrasar o jogo roulette fair 15 minutos. Houveram lasers apontados para nossos olhos. Houveram muitas coisas no primeiro jogo... e ainda assim nos classificamos, é por isso que estou tão orgulhoso dos jogadores." Os fãs da Bélgica não concordaram, vaiando a equipe à medida que os jogadores foram saudá-los. "Claro que ficamos um pouco surpresos", disse Tedesco.

"Para nós, era muito importante se classificar. Perdemos o primeiro jogo e as coisas não são fáceis, porque se você concede um gol, você está fora. Não tenho mensagem para os fãs, além de que precisamos deles."

Mas enquanto isso soou conciliatório, seu comentário subsequente - de que eles poderiam ser mais apoiadores do jeito que os fãs da Romênia o foram quando eles estavam perdendo por 2-0 para a Bélgica - é improvável que seja bem recebido.

Rebrov, técnico da Ucrânia, fala sobre a importância da classificação

Para Serhiy Rebrov, o técnico da Ucrânia, havia a tarefa familiar de colocar um resultado e um desempenho no contexto da guerra da Ucrânia com a Rússia. "É importante para nosso país que continuemos a nos representar", disse.

"Mostramos o caráter de nossa nação. Estamos quase 900 dias roulette fair guerra e hoje era importante mostrar às pessoas na Europa e roulette fair nosso país que ainda estamos lutando, que fazemos parte da Europa."
