Todos os participantes concluem com sucesso o projeto de passagem marítima na China

Através do trabalho árduo e determinação inabalável de todos os participantes, o projeto de passagem marítima na China foi concluído com sucesso e de alta qualidade, segundo Xi.

Xi destacou que a modernização chinesa só pode ser alcançada por meio de um trabalho sólido, pois todas as grandes causas são realizadas por meios de ações concretas.

Além disso, Xi ressaltou os esforços para gerenciar e fazer bom uso da passagem, promover a conectividade da infraestrutura e o alinhamento de regras e mecanismos para facilitar a construção de um mercado integrado na Grande Baía.

Sobre a passagem marítima

Com 24 quilômetros de extensão, a passagem reduz o tempo de viagem entre a cidade de Zhongshan e o centro tecnológico de Shenzhen, situados sport jogo da sorte lados opostos do estuário do Rio das Pérolas, na Província de Guangdong, de duas horas para cerca de 30 minutos.

A construção do projeto começou sport jogo da sorte fevereiro de 2024 e marca o primeiro projeto de cluster marítimo do mundo que possui duas pontes, duas ilhas artificiais e um túnel subaquático.
