Welcome, folks! Today, we're going to talk about sports betting, specifically online sports betting. Now, I know some of you might be thinking, "Isn't sports betting illegal in Brazil?" Well, let me tell you, it's not that simple. While it's true that sports betting is not legal in Brazil, there are ways to do it online, and that's what we're going to discuss today.

First of all, what is sports betting? It's pretty straightforward. You basically try to predict the outcome of a game, and you put down a bet, hoping to win some money. Of course, it's not as simple as it sounds, since you need to analyse statistics, players'forms, and a lot of other factors. That's why sports betting is considered a skill-based activity, rather than a game of chance.

Now, let's talk about the growth of online sports betting. It's become incredibly popular worldwide in recent years, thanks to the rapid development of technology and the increasing accessibility of the internet. In Brazil, we've seen a surge in online sports betting, with operators like Bet365, Betano, Betfair, Novibet, KTO, and Sportingbet offering their services. These platforms allow users to bet on their favorite sports and games online, offering competitive odds and a range of options.

But here's the thing: selecting a good online sportsbook is crucial. You want to make sure that your money is safe, and that's why it's essential to do your research and choose an operator you can trust. You want to look for a company that offers competitive odds, a wide range of betting options, as well as safety and security for your transactions.

So, which operators are available in Brazil? Well, as we mentioned earlier, we have Bet365, Betano, Betfair, Novibet, KTO, and Sportingbet, among others. Each of them has its strengths, and it's worth taken a closer look at them before making your decision.

Bet365, for example, offers a full range of services, a user-friendly interface, and competitive prices. Betano has a vast catalog of games and offers users competitive odds. Betfair, on the other hand, offers exceptional services, including its exchange platform, and exclusive bonuses

and promotions. Novibet is a dynamic and profitable option, with the best live trading promotions, and KTO offers a simple and clean interface, along with live updates. Sportingbet has a reputation for its products and services, thanks to its partnerships with various software developers.

Now, let's talk about the legal aspect of online sports betting in Brazil. It's not legal, but that doesn't mean Brazilians can't do it online. There are ways to bypass the law and still enjoy sports betting, but that's a topic for another day.

That's it for today, folks! We hope you enjoyed this introduction to online sports betting in Brazil. Remember, always do your research, choose a reliable operator, and never bet more than you can afford to lose.

## **Líderes mundiales reaccionan a la decisión de Biden de no buscar la reelección y respaldan a Kamala Harris**

Líderes de todo el mundo han comenzado a reaccionar al anuncio de Joe Biden de que no buscará la reelección este año, rindiendo homenaje a la vicepresidenta Kamala Harris en la campaña presidencial de los EE. UU. más inusual en generaciones.

Los aliados de los EE. UU. en su mayoría ofrecieron elogios al trabajo de Biden a lo largo de décadas de servicio gubernamental, discutiendo su trabajo como socio en la seguridad internacional, sin abordar el acalorado debate político que aún se desarrolla en los EE. UU.

La campaña electoral de los EE. UU. tiene lugar en un momento crucial con conflictos importantes en curso en Ucrania y en Gaza, ambos partidos advirtiendo de una creciente rivalidad de gran potencia con China, y aliados europeos inquietos por una Rusia revanchista y una posible política América Primero bajo Donald Trump que podría ver a Washington dar la espalda al continente.

"Querido presidente JoeBiden", escribió el primer ministro polaco Donald Tusk en X, "ha tomado muchas decisiones difíciles gracias a las cuales Polonia, América y el mundo son más seguros, y la democracia más fuerte. Sé que fue impulsado por las mismas motivaciones cuando anunció su decisión final. Probablemente la más difícil en su vida."

El primer ministro del Reino Unido, Keir Starmer, dijo que "respeta" la decisión de Biden y calificó su carrera de "notable".

"Respeto la decisión del presidente Biden y espero trabajar con él durante el resto de su presidencia", dijo Starmer en un comunicado. "Sé que, como lo ha hecho a lo largo de su notable carrera, ha tomado su decisión basándose en lo que cree que es mejor para el pueblo estadounidense."

El ex primer ministro israelí Naftali Bennett llamó a Biden un "verdadero amigo" de Israel.

"President Biden es un verdadero amigo de Israel que nos ha apoyado en nuestros momentos más difíciles", escribió en X. "Durante mi mandato como Primer Ministro, presencié su apoyo inquebrantable al Estado de Israel. Gracias por todo."

Los adversarios de EE. UU. criticaron el récord de Biden y lo acusaron de estar detrás de las tensiones crecientes en todo el mundo.

"Biden ha causado problemas en todo el mundo y en su propio país, los Estados Unidos. Dado que ve que no será elegido, se retira sin esperar a las elecciones", dijo el líder de la Duma estatal rusa Vyacheslav Volodin, aliado de Vladimir Putin, a los reporteros el domingo.

Biden "debe rendir cuentas por la guerra desatada en Ucrania, por destruir las economías de los países europeos y por la política de sanciones contra Rusia y otros países", dijo Volodin.

"No se trata de Biden desde hace mucho tiempo", dijo el vicepresidente del Consejo de la Federación rusa Konstantin Kosyachov. "Los estadounidenses están divididos en sus posiciones a favor o en contra de Trump. Creo que quien liderará la campaña demócrata después de la retirada de Biden, esta división seguirá en su lugar. Y todo dependerá de cómo los republicanos organicen y completen ahora esta campaña."
